### **Budget and Tax Rate Adoption**

With Council's action on Friday, August 29, the tax rate has been adopted. The FY25 Amended Budget and FY26 Proposed Budget will be adopted upon second reading at the September 16 meeting. Based on Council's decisions and first vote to adopt, I will be having Budgetary Update meetings with staff beginning the week of September 8<sup>th</sup>.

Staff will be working to provide you a more in-depth summary after the conclusion of the 2<sup>nd</sup> Called Special Session. Of note:

The engrossed version of the bill would have resulted in lowering the voter-approval tax rate multiplier from 3.5% to 2.5% for cities above a population of 75,000. There were reports that the Senate and House leadership were negotiating behind the scenes on a compromise, but one was not reached.
